

OPEN FISHERMAN

180

It's been a few years since the Open Fisherman has been available in Hewescraft dealerships. But its unmatched value, combined with the proven hull of the Hewescraft Sportsman and the freedom of a wide-open fishing experience, made its return essential.

This roomy, open boat may seem unassuming, but it's built with the same rugged strength as our largest ocean-going models. With center console and tiller control options, it's the perfect platform for chasing Kenai reds, Columbia springers, or Rogue River chrome. Take the helm—or grab the tiller—of the affordable, purpose-built skiff that lets you chart your own course.
