FISHING FOCUSED

At its core, Sailfish is a fishing boat designed by anglers for anglers. It is built to withstand the rigors of inshore and offshore environments and is loaded with more standard fishing features than any other boat on the water. We offer a wide range of options that allow you to customize your Sailfish for whatever type of fishing you wish to pursue. From inshore to deep water, 19 to 36 feet, you will find a Sailfish that will accommodate any fishing adventure or family outing.

FAMILY FRIENDLY

Every Sailfish has the built-in versatility to be a serious fishing boat one day and a family fun boat the next. With comfortable full bow seating, stow away tables, abundant storage space, a roomy head and a retractable ski tow bar, your Sailfish transforms into the perfect platform for an exciting family day on the water. Sailfish also provides for family safety with the highest cockpit depth in the industry – designed to keep water outside and people safely inside. Each Sailfish also features the largest recessed, cockpit drains in their class, allowing the maximum amount of water to exit the deck, providing for an extra level of safety.

ADVANCED DESIGN

INTELLIGENT ERGONOMICS

Have you ever been on a boat and thought, "Why on Earth did they do that?" Unless you're on a Sailfish, the answer is often because "they" added a feature as an afterthought. We design each boat with intelligent ergonomics from the start. When you reach for something, it's there—from cupholders, rod holders and hand-holds to switches, latches and toe rails. Our comfortable seating is ideal for lounging in the shallows or racing the sunrise offshore. All hinges and deck lids are recessed into the mounting surface, providing added safety for your feet. Plumbing and electrical systems are carefully engineered and installed for years of trouble-free operation and easy access.

INNOVATIVE DESIGN

For more than 30 years, our designers have set the standard for innovation in the industry. Features you'll find on many boats on the market today were first spotted on a Sailfish. We continue to push the industry forward—ensuring our boats have the best possible layout, design and functionality for anglers and families alike. Sailfish has the most standard premium features in our class and pioneering design elements you won't find on other boats.

LIFETIME NO-ROT GUARANTEE

Sailfish uses absolutely no wood in our transom or hull - that means a lifetime free of rotting, guaranteed! Our boats are made from 100% composite materials with stainless steel hardware. You will find many beautiful "fiberglass" boats on the water today that actually incorporate plywood encapsulated in fiberglass, which leaves them vulnerable to rotting. Enjoy the peace of mind that comes from Sailfish's all composite construction.

10-YEAR HULL WARRANTY

Each Sailfish boat comes with a 10-year hull warranty. Our hulls and decks are reinforced with Kevlar® and Carbon Fiber for greater durability, and the entire stringer system is foam-filled for added safety. All Sailfish boats are built using the best materials and proven manufacturing techniques. From start to finish, there are no shortcuts taken anywhere in the production process. Our quality control team takes great pride in ensuring your Sailfish is examined for flaws and imperfections before it leaves the plant.

VARIABLE DEGREE STEPPED HULL

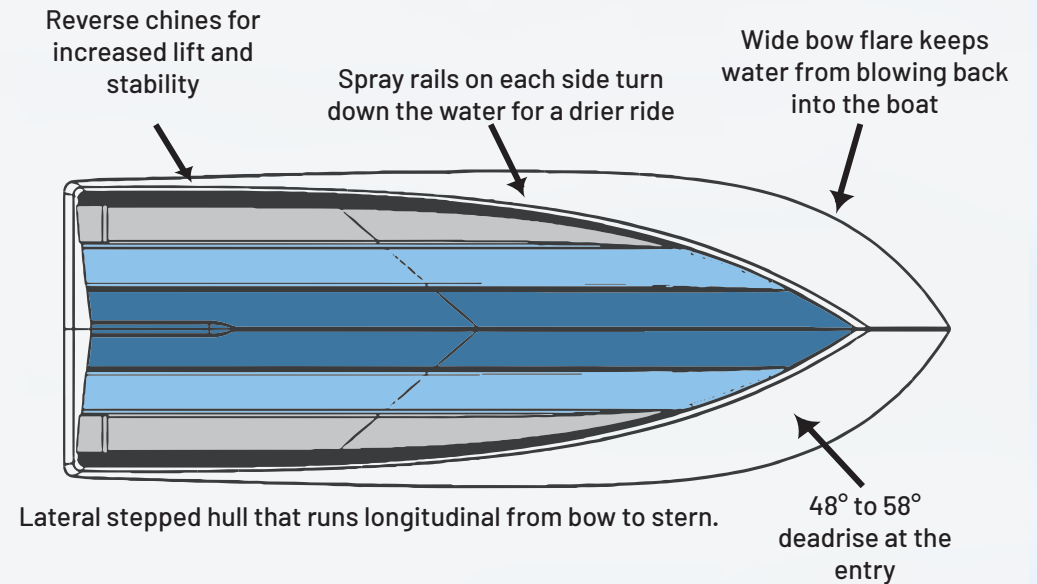

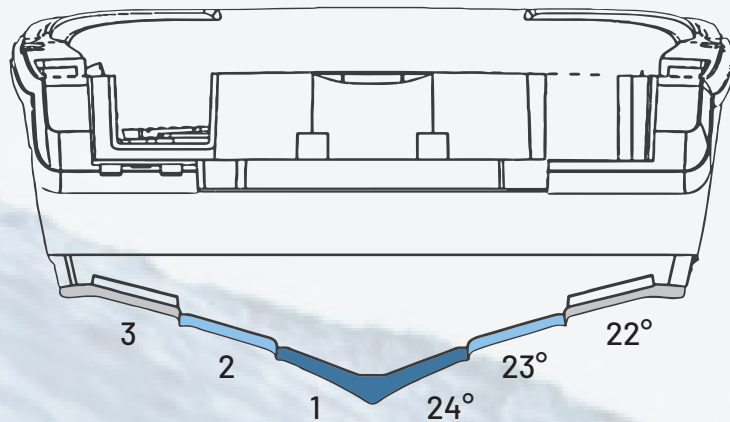

Our exclusive Variable Degree Stepped (VDS) Hull design provides the smoothest ride of any fishing boat on the market. Its unique design features three distinct running surfaces. The first has a deep deadrise that cuts through the water, and two others that provide lift and stability. In addition, Sailfish has the deepest gunwales in its class, designed to keep passengers safely inside and water out. The beautiful, wide bow flare also aids in keeping water from blowing back into the boat. Whether you're idling or cutting through the surf, our VDS hull is the optimal design for a comfortable, safe ride.

SAILTECH CONSTRUCTION

EXCLUSIVE VARIABLE DEGREE STEPPED (VDS) HULL

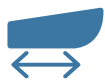

1. The 24° hull cuts through the water. This is the most aggressive angle used in the fishing boat segment.
2. The 23° hull provides lift and allows air under the hull, producing a softer ride with less friction for better performance and fuel economy. This lift allows you to reach the same speed without requiring as much horsepower as other boat brands.
3. The 22° hull provides stability needed for slow trolling or stopped positions.

SAILFISH LIFESTYLE

For over three decades, Sailfish has delivered on a promise of quality and innovation with its full lineup of reliable, versatile, stylish boats including Center Console, Dual Console, Walk Around and Bay models. Our Sailfish family grows with every boat that is sold, and we invite you to join in on the fun. Meet the sunrise for an offshore angling adventure, make afternoon watersport waves with the family and gather friends for a sunset dinner cruise- all aboard your new Sailfish boat. We combine fishability for the serious angler and premium comfort and safety features for the family. Today's Sailfish lets you get more from your boating investment.

FEATURES & OPTIONS

Each Fishing Focused, Family Friendly™ Sailfish Boat comes packed with an outstanding array of standard features. Available options allow you to create the boat of your dreams—perfectly suited to your preferences and needs.

From Bay Boats and Walk Arounds to Dual Consoles and Center Consoles, from 19 to 36 feet, there is a Sailfish Boat for your perfect day on the water.

We invite you to compare your desired features and options with other boat brands. You may find some that check most of the boxes—but you won't find another brand that offers the combination of Fishing Focused and Family Friendly™ features you'll find on a Sailfish, especially considering the value our top-quality boats offer.

And of course, there are the Sailfish exclusives that you only find on a Sailfish – such as our Variable Degree Stepped (VDS) Hull System, convenient Console Top Organizer and Intelligent Ergonomic Design that make Sailfish a stand out among the rest.

360CC

STANDARD FEATURES

- Boat**
- 3 Piece Construction w/ Cored Hull Sides
 - Boarding Ladder (4 step with grab handle)
 - Built In Rigging Tubes (From Bilge to Helm with pull tapes)
 - Carbon Fiber & Kevlar® Reinforced Deck & Hull
 - Closed Cell Foam Flotation
 - Cockpit Toe Rails
 - Dive Door w/ 4 Step Folding Ladder
 - Easy Access Electronics and Rigging Area
 - Edson Black Ops Steering Wheel w/ Deluxe Grip & Power Knob
 - Exclusive Dot Matrix Non-Skid Flooring
 - Exclusive VDS Hull Design (Variable Deadrise Stepped Hull)
 - Fender Cleats - Aft (2), Mid-Ship (2)
 - Flush Mount Hinges, Latches & Deck Plates
 - Hard Top w/ Vented Sun Roof, Articulating Rear Shade
 - Heavy Duty Stainless Steel Bow & Stern Eyes
 - Heavy Duty Stainless Steel Rub Rail
 - Heavy Duty High Performance Trim Tabs with Indicators & Auto Retract Feature
 - Integrated D Channel Hard Top Frame
 - In-Floor Fish Boxes (Insulated w/ Advanced Vacuum Pump, Non-Macerated)
 - Oversized Bilge Access
 - Power Assist Steering
 - Recessed SST Cup Holders (14)
 - Recessed 32 oz. SST Cup Holders (6)
 - Removable Table (Stern)
 - SailTech Composite Stringer System
 - SailTech Composite Transom
 - Thru Hull Windlass System
 - Walk Thru Transom Door with Wave Guard Step
- Bow**
- Fully Upholstered Convertible Bow Seating and Lounge Area w/ Power Adjustable Table/Bow Filler and Fold-Away Forward Facing Backrests
 - Twin insulated 80qt. Storage Boxes
- Electrical**
- 8 Spreader Lights w/ Four Way Control
 - Accessory Switch Panel w/Circuit Breakers
 - Built-In 4 Bank Battery Charger w/ LED Readout
 - Compass
 - Dock Side Power
 - Fusion/Wet Sounds Stereo System & USB Port
 - Fusion Transom & Bow Remote Control
 - LED Interior Cockpit & Bilge Lighting
 - LED Navigational Bow & Anchor Lights
 - Lumitec Underwater LED Lighting
 - Multiple 12 Volt DC Accessory Plugs
 - Push To Start Engines
 - Stainless Steel Refrigerator
 - VSR Battery Charging System
- Fishing**
- 42 & 32 Gallon Pressurized Circulating Baitwells
 - Built-In Tackle Storage
 - Sea Chest Baitwell Pump System
 - Tuna/Dive Door
- Head/Berth**
- Corian Counter Tops
 - Fresh Water SS Sink
 - Pilot's Berth
 - SST Port Light
 - Stand-up Shower w/ Curtain
 - Wood Framed Mirror, Wood Steps & Cabinetry
 - Yacht Style Flooring
- Helm**
- Adjustable Height Standing Driving Position
 - Comfort Zone Anti-Fatigue Pad
 - Deluxe Walk In Console Berth (Lockable) w/ SST Port Light
 - Glass Enclosure w/Vent, Wiper & Windshield Washer
 - Large Dash Area (Capable of flush mounting Twin 16" Screen or Triple 12" Screens)
 - Overhead Engine Monitor
- Plumbing**
- Automated Motor Flushing System
 - Automatic Bilge Pump (2 - 2000 GPH Aft - 750 GPH Forward)
 - Concealed Freshwater Electric Marine Head w/ Overboard Discharge

- Freshwater Stations (3) - (Transom, Leaning Post and Berth)
 - High Speed Livewell Pickup
 - On Deck Water Management System
 - Retractable Raw Water Wash Down
 - Self Bailing Cockpit (w/2 6" Oval Scupper Drains with Collector Box)
- Seating**
- 60" Hide-a-way Rear Seating
 - Bow Seating w/Forward Facing Backrest
 - Chase Lounge Seating w/ Fold Down Arm Rests
 - Leaning Post w/ 3 person Helm Seating and 3 Person Aft Facing Seat w/ Flip Down Armrest & Cup Holders, Cooler, Fridge, Storage, Powered Driver's Seat Slide and Landing for rear Facing Bottom Machine
- Storage**
- Console Top Tackle Organizer (CTO)
 - Dash Storage Pocket
 - Engel 80qt. Carry-On Cooler
 - Footrest Console Storage
 - Insulated Locking Coffin Box Storage
 - LP Glove Box w/ Charging Station
 - Recessed Rod Storage - Port & Starboard
 - Tackle Storage Port & Starboard
 - Twin 260 qt. Insulated Aft Fish Boxes
 - Twin Hard Top Storage Boxes
 - Under Gunwale Storage
- OPTIONS**
- Boat Options**
- Bow Shade
 - Bow Thruster
 - Console & Leaning Post Covers
 - Dash Misting System
 - Grand Slam 380 Outriggers w/ 15' Poles
 - Optimus 360 Joystick Steering
 - Powder Coating (Black)
 - Rod Holders, Extra Pair (2)
 - SeaKeeper Stabilization
 - Two Tone Hard Top
 - Yamaha Helm Master
- Electrical Options**
- A/C / Heat in Berth and Helm
 - Batteries for Twins (4) - 27 Series
 - Batteries for Triples (5) - 27 Series
 - Batteries for Inverter (3) - 31 Series
 - Garmin B75M Airmar Thru Hull Transducer w/ CHIRP
 - Garmin B175M Airmar Thru Hull Transducer w/ CHIRP
