

 **SAILFISH**  
BOATS

# SAILFISH, ANYTHING LESS IS... WELL, LESS.

Sailfish is committed to building quality inshore and offshore fishing boats that deliver broad functionality and lasting reliability. Feel more secure in the boat you choose, with deeper cockpits, more stable and stronger hulls, single-level decks for better fishing and entertaining, easier hose-and-go maintenance, and greater retained value. Feel wise.

Feel satisfied. **There's no looking back with a Sailfish.**

Dual Console ..... 20

So Worth It ..... 30

Center Console 06-19

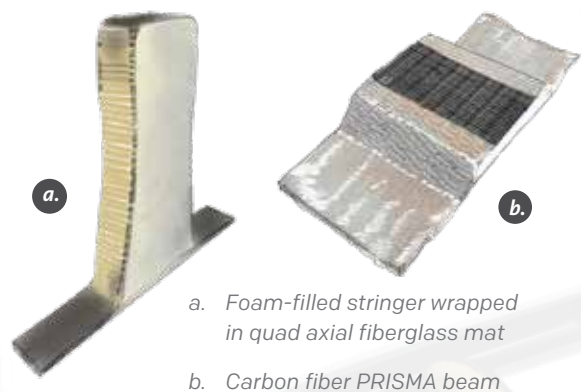

Dual Console 20-29

# THE SCIENCE BEHIND THE CATCH

Sailtech Construction unites science, materials and human touch to build lasting structural integrity into every hull.

## THE FORMULA FOR LASTING STRENGTH

Sailtech Construction uses the best materials for lightweight strength and long-lasting durability, including (from top): gelcoat, spray core, quad axial fiberglass mat, Kevlar®, Trevira, high density foam transom board, carbon fiber prisma beam and foam filled stringers

# THREE HULLS ARE BETTER THAN ONE

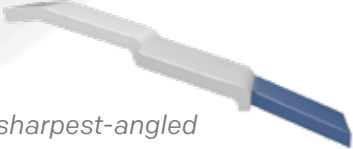

Sailfish Boats' unique Variable Degree Stepped (VDS) hull features three distinct running surfaces, offering triple the performance benefits of a typical V-hull.

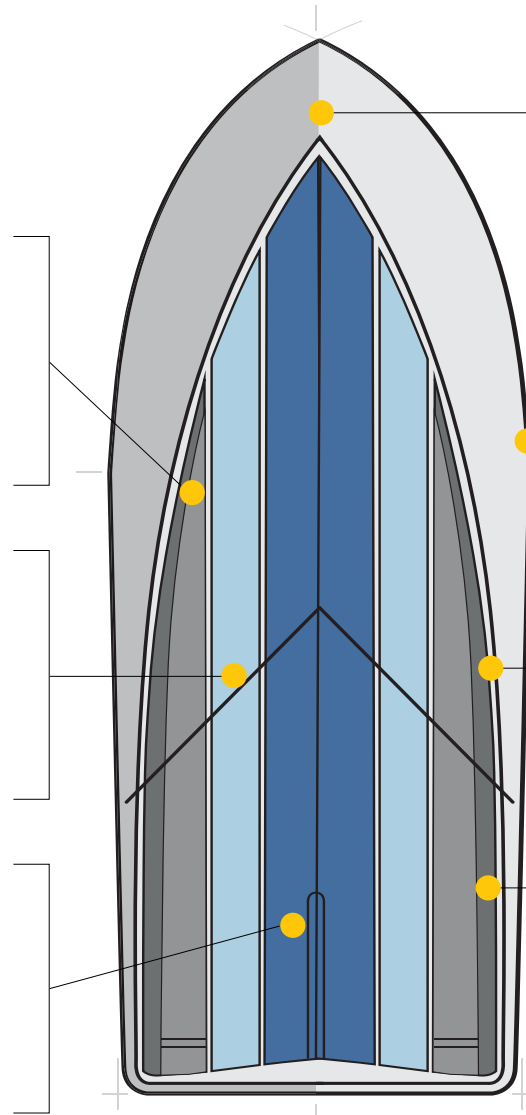

The "flattest" surface of the hull, at 22°, provides comfort and stability by helping to keep the boat level.

The 23° surface, combined with turn-down strakes, creates lift and improves fuel economy.

The sharpest-angled section, a 24° surface at the bottom of the hull, slices cleanly through the water, even in rough seas.

A steep 48° to 58° deadrise at entry slices cleanly through the water.

The hull's wide bow flare blocks water from blowing up into the boat.

Spray rails on each side turn down the water for a drier ride.

Reverse chines add lift and stability.

# SAILFISH CENTER CONSOLE: BUILT FOR FISHING...PERIOD.

Sailfish Boats Center Console models are our most popular fishing boats, and for good reason — their unique center console design allows for 360-degree access to the water. Sailfish CCs are well-equipped with smart fishing features, including plenty of rod holders for added convenience.

- Choice of Mercury, Suzuki or Yamaha power

**A** Be in control from the well-appointed helm, looking ahead through the full-height windshield with sliding center panel walk-thru to bow.

**B** With comfortable, convertible fold-away seating, the cockpit opens up the possibilities from immense fishing room to entertaining space with seating for 8.

**C** Roomy private head area with electric marine head, sink with faucet/shower wand and mirror.

**D** Deep bow with chaise lounge style seating, fold-down armrests, table, underseat storage & built-in cooler.

**E** Galley includes 3-drawer storage cabinet for convenient organization, refrigerator, sink with faucet and drink cooler with wine storage rack for all day refreshment.

# Sit Back

At Sailfish, we prioritize both comfort and capability in our expertly crafted fishing boats, designed to accommodate a comfortable family environment while enduring unpredictable seas.

Our helm seating configurations are spacious and comfortable, ensuring relaxation whether you're fishing or enjoying a family gathering.

Our low-hassle, high-durability upholstery makes clean-up easy without sacrificing style, featuring classic color schemes with contrasting accents.

Additionally, our unique Variable Degree Stepped (VDS) hull design distinguishes us from competitors by creating a deeper cockpit and higher freeboard for enhanced safety and security.

**Comfort, style, versatility and durability?  
Talk about seating that stands out!**

# So Worth It...

## **Ergonomics**

Everything you need, where you need it, for comfort and control.

## **Easy Boarding**

Large boarding doors on many models.

## **Deeper Freeboard for Safe & Secure Ride**

Feel secure when fighting fish or cruising with the family.

## **More Value**

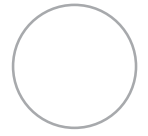

With Sailfish Boats, you get premium features without the premium price tag, leading to superior resale value.

# Looks that Last

With Sailfish, design a boat that not only matches your needs, but your style. Offering a variety of everlasting gelcoat colors, Sailfish owners are sure to find a combination that suits their desired look. At Sailfish, we understand that high-end design and durability go hand in hand. That's why we use top-quality materials and finishes to ensure that your boat has looks that last for years to come.

# Power of Choice

At Sailfish, we offer incredible power options from the top engine brands in the industry, individually power-matched to your model, and with the peak performance capabilities you need for your unique on-the-water experience. Enjoy outboard options from Yamaha®, Mercury® and Suzuki® and hit the water knowing you have the fuel economy, lasting reliability, and powerful performance to keep you going until you return to shore.

# KNOW YOU'VE MADE THE RIGHT CHOICE WHEN YOU'VE MADE THE WISE CHOICE.

Boaters get everything they need and more without stretching or settling. Confident and capable for long days of fishing and set up for entertaining success with comfort-minded amenities. No choosing. No doubting. The wise choice is always the right choice.
